

THE COMPLETE PACKAGE

IT'S NOT JUST A TUNE. HERE'S WHAT YOU TAKE HOME.

Custom calibrated on our own Maha MSR 500 dyno - and all of this is included with every Pendle HQ tune.

1

BOOK ONLINE

Pick your time online. Your booking is confirmed by email straight away, with reminders before the day.

2

ON THE DAY

A full health check, a dyno run and a data log before anything is touched. Then your custom calibration - and the dyno and data log again to prove it.

3

READY TO COLLECT

A text the moment your vehicle is finished and ready to collect.

4

YOU TAKE HOME

Your Certificate of Pendle Performance Quality (scan to check), your Maha MSR 500 dyno printouts before and after, and a full VAT invoice.

5

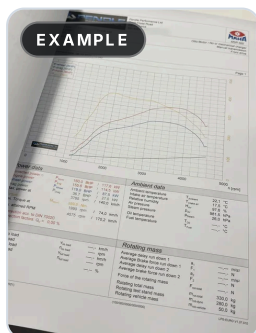

THE NEXT DAY

Your own brochure, plus your photos and dyno graphs to save and share.

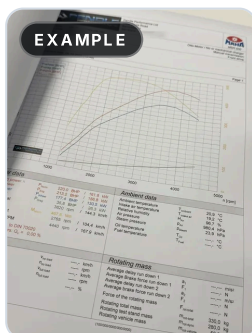

WHAT YOU COME AWAY WITH - EXAMPLE

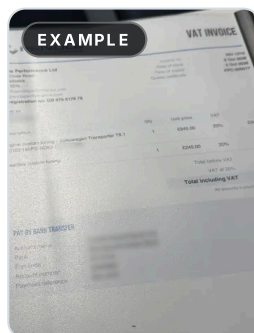

Certificate of Quality

Dyno printout - before

Dyno printout - after

Full VAT invoice

Brochure - next day

This example: **VW Transporter T6.1 2.0 TDI 150**, engine and gearbox. Standard **160.0 bhp / 359.6 Nm**
 → Pendle tuned **220.0 bhp / 467.6 Nm**, off the dyno printouts. Reg, name and bank details blurred.
